WE ARE BUYING LAND AND NEED YOU

We have the amazing opportunity to increase our OHV riding lands to over 1,300 acres on Johns Peak/Timber Mountain by **adding 400+ acres!** It's been 30 years since we've had this kind of an opportunity. To make this happen we need EVERYONE'S HELP BY JUNE 30, 2017.

- **We need to raise \$134,000**
- The MRA is a 501(c)(3) so **all donations are now tax deductible**
- **Help expand our riding area** to insure we have OHV recreation for future generations

THE DETAILS

The MRA received approval for a grant to fund the purchase of 402.55 acres of land that will connect two major parcels we currently own. The \$765,000 grant requires the MRA to contribute a cash amount of \$134,000 by 6/30/2017. **We need to raise the funds by the June 30th deadline.**

HOW YOU CAN CONTRIBUTE TO THIS LEGACY PURCHASE

First of all, EVERY DOLLAR COUNTS! If you don't pick one of the below options, please donate whatever you can. You are an important part of this fund raising.

Name Your Acre(s)

- **For every \$160 you donate**, you sponsor an acre of land! We'll have a map showing the acre(s) with your name on it. (Available until all acres are covered)
- **For \$6,400 you sponsor one of the 40 acre parcels** within the 400+ acre expansion. (Your name will also be placed on the map - This is great for businesses!)
- Feel free to go in together with other families or friends!

WHERE TO DONATE
